MOTION FOR EXTENSION OF TIME TO FILE TESTIMONY

Lockhart Power Company (“Lockhart” or “Company”) hereby respectfully requests an extension of time for filing testimony in the above-captioned proceeding. This request is made on the following grounds:

1. Lockhart is a small utility with limited staff resources. Lockhart is working on testimony that is due on August 28, 2020, as well as responding to requests for the production of documents served on Lockhart by the Office of Regulatory Staff (“ORS”) in this proceeding. Lockhart proposes to move the scheduled testimony dates to allow its limited staff the time it needs to complete these tasks.

2. Lockhart has consulted with ORS, and ORS has no objection to extending the time for filing testimony to the proposed schedule set forth below. The requested extension will not result in prejudice to any party, as it will allow additional time for all parties, and will not result in a delay of the hearing currently scheduled for December 8, 2020.

3. Lockhart proposes and requests the following prefile testimony dates:

Applicant's Direct Testimony Due: September 18, 2020

Other Parties of Record Direct Testimony Due: October 16, 2020

Applicant's Rebuttal Testimony Due: November 6, 2020

Other Parties of Record Surrebuttal Testimony Due: November 30, 2020

WHEREFORE, for the reasons stated above, Lockhart Power Company respectfully requests an extension of the dates for prefilng testimony in this proceeding, as set forth above.

Respectfully submitted,

By:
